

Final Exam Chip

An image that shows the partitions of your chip as seen in FTK Imager (similar to what is shown in video/book).

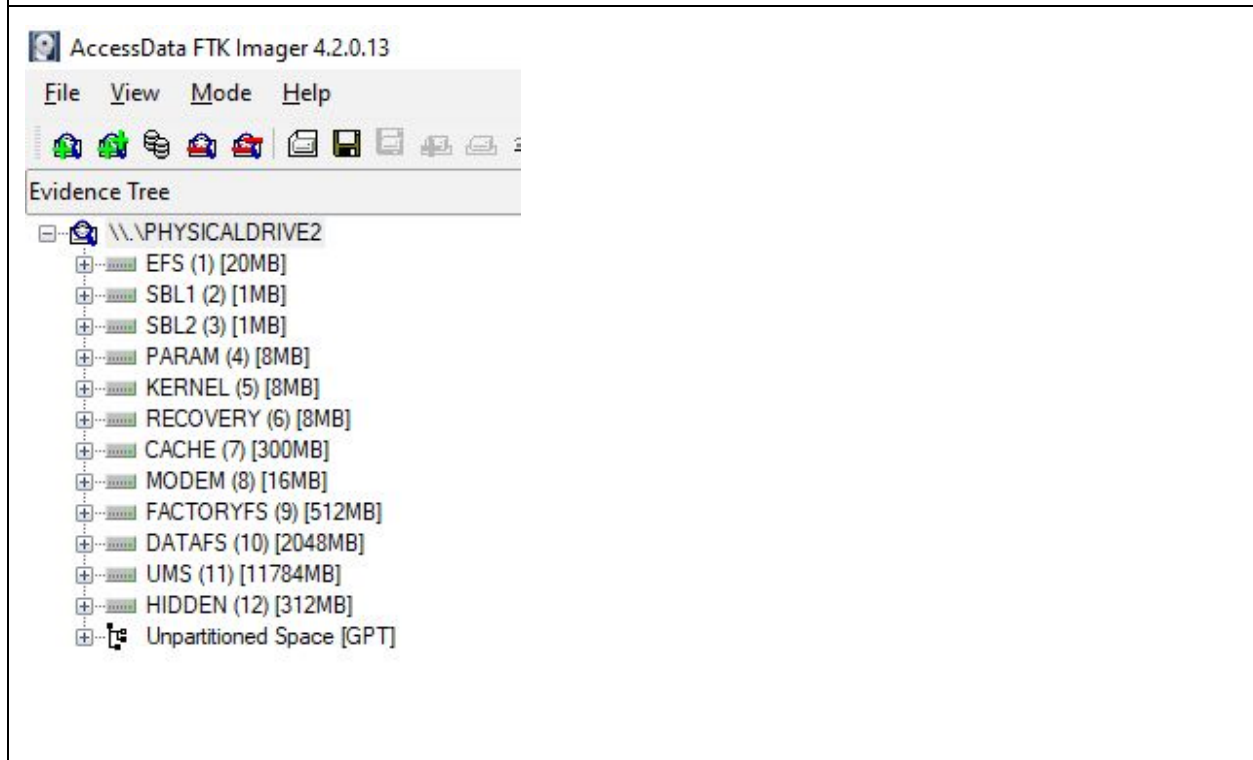

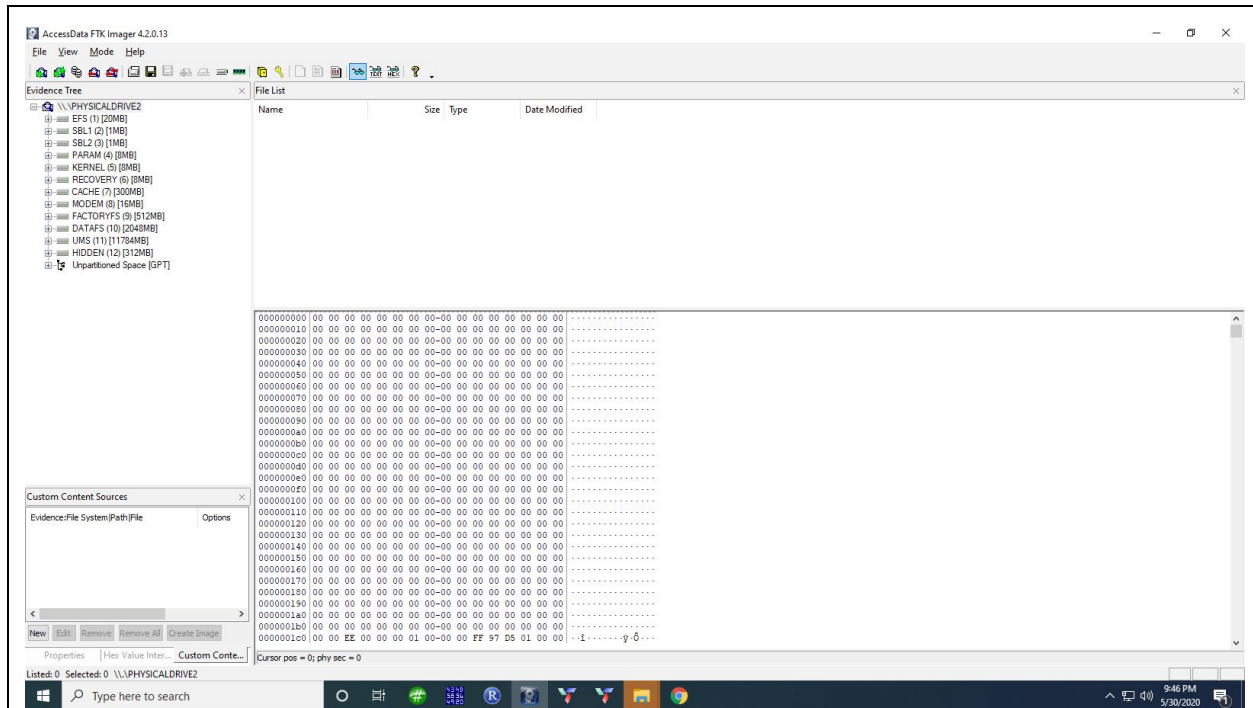

Either the start of the imaging process (an image w/FTK Imager), or a picture of the image manifest after the imaging is complete.

Other Attempted Chip

An image that shows the partitions of your chip as seen in FTK Imager (similar to what is shown in video/book).

Either the start of the imaging process (an image w/FTK Imager), or a picture of the image manifest after the imaging is complete.
